

Ladders to Paradise

(written for Lina)

Take the place of stairs when stairs when it comes to climbing not drink. No ladders will something is happening. I am drink. No ladders will take the place something is happening. climbing the heights ladders will take the of stairs when it comes to if I am hungry i will not stairs when it comes to climbing the I am hungry i stairs when it comes to climbing the heights place of stairs when it comes it comes to climbing the take the place I am hungry i will ladders will take the place of not drink. No I am entering into paradise. Even place of stairs I am entering into I am hungry i hungry i will not drink. No of stairs when it comes to climbing if I am hungry i will into paradise. Even if No ladders will take I am hungry something is happening. I am entering it comes to climbing if I am hungry of stairs when it comes place of stairs when it I am hungry i the heights happening. I am heights comes to climbing the the place of stairs the heights drink. No ladders will take the to climbing the heights am hungry i will climbing the heights into paradise. Even the place of into paradise. Even if I am hungry I am hungry i will Even if I am hungry if I am hungry i it comes to entering into paradise. Even if I am to climbing the heights ladders will take the I am entering stairs when it comes if I am hungry i place of stairs when it drink. No ladders will when it comes to climbing the i will not drink. No ladders when it comes to climbing the hungry i will not drink. is happening. I am entering into paradise. to climbing the the heights entering into paradise. Even if drink. No ladders Even if I am hungry i the place of stairs when it comes will take the paradise. Even if I drink. No ladders will take the place something is happening. I drink. No ladders will take the place am hungry i will not I am entering into paradise. Even into paradise. Even if I am I am entering into paradise. something is happening. of stairs when it comes to climbing am entering into paradise. Even if I drink. No ladders will take the place take the place will not drink. No ladders will happening. I am entering into the heights not drink. No ladders Even if I am hungry i will entering into paradise. place of stairs when happening. I am entering into paradise. Even No ladders will take the the heights climbing the heights hungry i will not drink. No ladders entering into paradise. I am hungry i will not will not drink. No ladders will take hungry i will not drink. No when it comes when it comes to Even if I am hungry i will not drink. No ladders will drink. No ladders will stairs when it comes to climbing climbing the heights heights paradise. Even if I am if I am hungry i I am hungry i will not drink. place of stairs when heights to climbing the heights hungry i will not drink. No ladders the heights i will not

drink. No ladders happening. I am entering stairs when it comes to climbing the happening. I am climbing the heights climbing the heights the heights take the place of stairs when when it comes to paradise. Even if comes to climbing the am hungry i will not stairs when it comes to climbing the am entering into paradise. Even when it comes to climbing the Even if I am hungry will take the place not drink. No will take the place am hungry i will not drink. No paradise. Even if I will take the place of will take the place of into paradise. Even if I I am entering into paradise. Even if I am hungry when it comes to climbing into paradise. Even if I am hungry am hungry i will not will not drink. No ladders will take place of stairs when it comes the place of stairs when it No ladders will take the place of stairs No ladders will take the heights not drink. No ladders will am entering into paradise. Even if I hungry i will not drink. if I am hungry i will not happening. I am drink. No ladders comes to climbing the heights the heights is happening. I am entering am entering into paradise. Even if I into paradise. Even if I am hungry when it comes to paradise. Even if I am when it comes to climbing paradise. Even if will not drink. No ladders will take happening. I am i will not drink. No heights entering into paradise. Even if I is happening. I am entering into paradise. ladders will take the place of stairs stairs when it comes to climbing I am hungry comes to climbing the heights paradise. Even if I am hungry i entering into paradise. Even if entering into paradise. Even if I happening. I am entering into paradise. paradise. Even if I am hungry i it comes to climbing the heights am entering into paradise. Even when it comes to climbing paradise. Even if I am hungry ladders will take the place of climbing the heights drink. No ladders entering into paradise. Even if am hungry i will not drink. No ladders something is happening. I place of stairs when it comes I am entering it comes to climbing into paradise. Even if into paradise. Even if I I am entering into paradise. Even to climbing the stairs when it comes to climbing if I am drink. No ladders will ladders will take the place of stairs take the place into paradise. Even if comes to climbing the drink. No ladders will take the place comes to climbing ladders will take am entering into paradise. Even if.
